THE BRECON MOUNTAIN RAILWAY
COMPANY LTD

Merthyr Tydfil

From Pant to Torpantau
- High in the Brecon beacons

THE BRECON MOUNTAIN RAILWAY
COMPANY LTD

A magical way to travel through the heart of the Brecon Beacons

Travel from our main station at Pant in one of our all-weather observation carriages behind a vintage steam locomotive.

The journey takes you into the Brecon Beacons National Park through Pontsticill station and alongside the Taf Fechan Reservoir to Dolygaer before climbing to Torpantau high in the Brecon Beacons.

Trains only stop at our intermediate station Pontsticill on the return journey to Pant.

Public Notices:

Smoke from the steam locomotives adds to the ambience of the railway. Please take care when close to the locomotive or when riding on the balconies.

The Brecon Mountain Railway will not be held liable for any spoiling of, or damage to clothing or any other property.

Every care will be made to maintain the services shown, however the company reserves the right to cancel, alter or suspend any train without notice and accepts no liability for any loss, inconvenience or delay thereby caused.

Occasionally a diesel locomotive may be used when a steam locomotive is unavailable.
